

# ELC presents a

# Family Campout

3 Days & 2 Nights ~ February 3 - 5th ☞ Starts at 9am Friday - Ends Sunday at 4pm  
(We'll return in plenty of time for Superbowl kickoff!)

Just like the title says, this program is for families to share time together outdoors.

We'll paddle by kayak to an island in the beautiful Indian River Lagoon where we'll camp for two nights.

From base camp, our Education Director, Heather Stapleton, leads an exploration of other islands and winding mangrove trails. Wildlife observation, seine netting of marine life, days of sun and fresh air, nights under the stars. What a way to spend a break from school and work.

This **complete package** makes it easy for you.

Fee includes guide service, kayak rental, gear, tent, all meals, snacks, and drinks. \$305/child \$425/adult (\$10 discount for ELC members. Consider becoming a member of ELC to receive the discount!)

**Heather Stapleton** – Heather joined the ELC in 2003 and now serves as Education Director. She graduated from Indiana University with majors in Environmental Studies, Political Science and French. Upon graduation, she was a Peace Corps Volunteer in Benin, West Africa for three years. During this time, she traveled a lot and fell in love with environmental education – and that's what she's been doing ever since. Heather earned the highest professional level certification from the National Association of Interpretation as a Certified Interpretive Planner.

For families  
with children  
8 & older

**Registration Deadline**  
**Monday, January 30th**

Reservations required.
