WALK-A-THON TO BENEFIT ELC FIRE FUND

WABASSO ISLAND, Fla. A 2 mile Walk-A-Thon is being held this Sat. Apr. 23, at Riverview Park in Sebastian. All proceeds are benefiting the Environmental Learning Center's Fire Fund. On June 30th, the ELC sustained a lightning-sparked devastating fire resulting in the loss of over 4,000 sq. ft. of structures including its main exhibit space.

David Lewis Productions, an audio/visual specialist business in Wabasso, is pitching in to help the ELC recover by organizing and sponsoring the Walk-A-Thon. The walk begins at 9am with registration starting at 8am. Pledge forms can be downloaded from ELC's website

www.DiscoverELC.org. Any size pledge is acceptable and appreciated.

Donations should be taken to the Walk-A-Thon for collection.

Following the walk, there will be festivities in Riverview Park including live bands, face painting, dunk tank, and a bounce house. The Park is located along US#1 and CR512 east bound.

For questions on the event, contact Krystal Evans at David Lewis Productions at 772-589-8828.

The Environmental Learning Center is a non-profit nature center located south of Sebastian off County Road 510 at the western edge of the Wabasso Bridge. Its 64-acre island campus includes boardwalks, native plant gardens, picnic facilities, gift shop and visitor center.
