Lagoon Island Adventure Summer Camps!

Canoe excursions, boat trips, STEAM activities, scavenger hunts, island exploration, seine netting, field trips, and more!

Homes & Habitats

June 3-7, June 24-28, and July 22-26
An exploration of ecosystems, habitats and how animals and plants uniquely adapt in order to thrive. Campers will learn about food webs and the natural animal shelters that create habitats and the fascinating builders who create them.

Sea to Shore

June 10-14, July 8-12, and July 29-August 2
Florida is defined by how the land connects to the water. From the St. Sebastian River to the Indian River Lagoon to the Atlantic Ocean, we will learn how water is essential to life by experiencing the waterways in our very own backyard.

Wildlife Wonders

June 17-21, July 15-19, and July 29-August 5-9
Explore some of the over 1,000 species of animals that call the Indian River Lagoon home. Campers will investigate some of the key species that make the Lagoon habitat unique, and a few of the invasive species threatening our environment.
